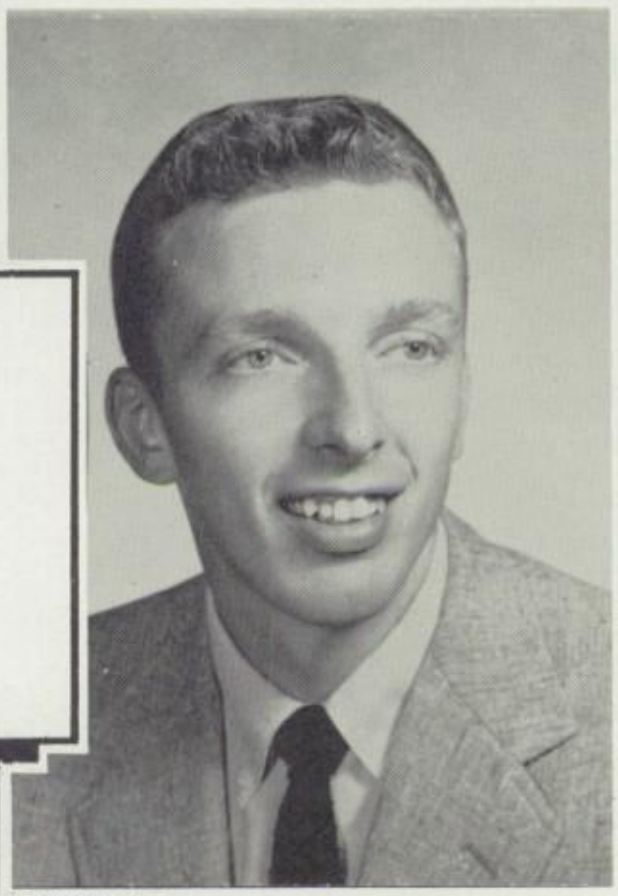
Foreword

Our purpose in issuing this annual is to try to capture between these covers a panorama of the past year at Camden - Frontier. In the years ahead it is our sole desire to press onward to better ourselves, to achieve our highest ambitions, to do our part to be a credit to Camden - Frontier; but it will be with fond memories that we will thumb through our annual and live again for brief moments our high school days.

Wherever our destinies may lead us we can always return via our "Redskin." If we achieve this purpose, we will have not worked in vain.

Senior Class of 1961

Dedication



Because he has been understanding, faithful to our class, always lending a helping and willing hand whenever we needed him, entering whole-heartedly into our class activities, guiding us these past three years; it is with heartful thanks that we, the Senior Class of 1961, proudly dedicate this annual to Mr. Roger Sexton.

Senior Class of 1961

Superintendent's Message

Your superintendent deems it a pleasure to write a brief message for the annual. Your theme depicts the various seasons of the school year, but I have found that education is not a seasonal thing. "Education is a year around job." Further, I have, like many of your parents, found that it is a lifetime job and that I am continuously learning new things.

You are living in a generation that has much material from which to gather information due to the increasing knowledge available from new research and findings of our industrial world, scientific centers, universities, and fact gathering centers. Much more history has been added to textbooks since our days of school. The mechanical and scientific advances have opened many new fields of learning and new occupations into which you may enter.

You are also most fortunate to have the privilege of attending schools which offers much better facilities which enables you to carry on your schools' social and athletic activities. Our modern schools are palaces when compared to most of the schools which the previous generations attended. These new schools are being equipped for modern teaching techniques, and equipped with modern teaching aids that should improve the means of bringing this knowledge to you.

These things have been provided through your parents who have been faithful in carrying out the dictates of their forefathers who in the Northwest Ordinance of 1787 stated "Religion, Morality, and Knowledge, being necessary to good government and the happiness of mankind, schools and the means of education shall forever be encouraged."

Ralph Miller

Principal's Message

The Senior Class of 1961 is about to launch their edition of the Redskins. In this pictorial annual, I again have the privilege of expressing my acknowledgement and congratulations to the Senior Annual Staff and the senior class members for another job well done.

As the Senior members are standing on the launching pad for the construction of this book, they are also about to launch themselves from the realm of public education to another phase of their life. The preparation of this phase has been a long tedious process of thirteen years. Your community, family, and school have engineered these years for you in hope that you can become self-supporting and have happiness and success in adulthood.

The fundamental education processes that you have achieved will never change in our rapidly changing world. Only the application of the processes will change. To every Senior it will lie within you, individually, to adapt yourselves to these changes. In looking at the history of education, all generations have made this adaption. If they hadn't, we wouldn't be on the educational and economic plane of today.

I make no reservations in assuming that you are ready to go forth and seize the opportunities and make your mark on the world's ledger. Again, thanks for this opportunity and best wishes for you in your chosen field of endeavor.

SENIORS LEAVING

Class Will

We, the class of 1961, being in fairly good mental condition, do hereby will and bequeath to the Juniors these our long cherished and carefully trained abilities and our priceless, inapproachable, and rare possessions, or something like that.

I, Evelyn Stump, leave my short stature to Charlene Depue and Susan TenBroeck hoping they will be happier about it than I am.

I, Max Depue, bequeath my muscles to Pete Host.

I, Sue St. John, leave my cheerleading ability to Linda Fee.

I, Ray Lashaway, will my ability to sleep in class to any Junior who thinks a desk might make a comfortable bed.

I, Charles Freed, will my curly hair to Jerry Hukill.

I, Leo Barr, will my charming way with women to Lowell Burger and Charles Walker.

I, Sharleen Coe, leave my title of Homecoming Queen to Norma Davis.

I, Gary Tanner, leave to Julia Bowles, a soft pillow to take the bumps out of life.

I, Sharon Bryner, will my devilishness to Diane Thorp.

I, Sharon Adams, bequeath locker number one to Vonda Anspaugh.

I, Nancy Cooney, leave my ability to read my Shorthand lesson out of the back of the book without Mr. Vaughn catching me to any Junior silly enough to take Shorthand.

I, Sharon Jagger, bequeath my ability to tell jokes well to Linda Patterson, and also our beloved teacher, Mr. Gardner.

I, Shirley Adams, will my ready smile to Betty Southworth and Margaret Spinne.

I, Kay Warfield, will my ability to get a man to Kathy Oglesbee and JoAnn Boathman.

I, Wayne Word, will my ability to "goof off" to Darrell Broughman, who is as big a mess as I am.

I, Marcia Gibbs, will me technique with men to Judy Hikill.

I, Burton Headley, bequeath with gladness my Government and Economics books to Doug Grimm and Arnold Walworth hoping they will get more satisfaction out of the books than I did.

I, Sandy Salisbury, bequeath my basketball ability to Jeanne Haughey wishing her lots of luck next year.

I, Billie Baker, will my conspicuous laugh to any junior who will take it.

I, Wendell Shiffler, leave my picture to Marilyn Orth so she can dream next year.

I, Rick Clark, will my position as co-captain, to the football team next year.

I, Jim Hickman, leave my shyness to Mike Hephner, knowing he could use it.

I, Barbara Clark, bequeath my last name to any junior who wants to use it since I won't be needing it much longer.

I, Boise Headley, leave to Marcella Headley, my Economics notebook with the understanding that she will pass them on.

I, Joe Strawe, leave my scientific ability to Jud Stanley and Dick Swager, hoping they will do as well as I did.

I, Bob Benn, will part of my height to Sujean Drake and Sonia Webb.

I, Judy Robinson, bequeath my position of Annual Editor to some ambitious junior.

I, Lyn Wiles, leave to marry.

I, Carolyn Ort, will my naturally curly hair to Linda Bunce.

I, Gene Mallar, bequeath my ability to wise crack to Jim Benn.

I, Karen Midtgard, leave whatever I have, if I have anything, to whoever needs whatever I have and can do anything with whatever this thing is.

I, Mike Reader, leave my "Mouse" to any junior who will take it.

I, Dick Kast, will my ability to become the first engaged boy of the class to any junior boy who is brave enough.

I, Jayne Frank, will my ability to speak that which is on my mind to Pat Hukill and Lynette Brown.

I, Karen Tucker, will my position as Editor of the school paper to Mildred Penoyer.

I, Terry Guy, will the ability to spin my tires in the school drive to Gerry Lange.

I, Cynthia Johnston, leave six of my first dozen children to any junior who will take them.

I, Joanne Robinson, bequeath a few pointers on neatness to any sloppy junior.

I, Ray McKibben, will to Leon Shroats a bottle of blue ink so his grades will never be "in the red."

I, John Long, will my butch hair cut to David Seely.

I, Sally Throop, leave my ability to resist men to Linda Rickard and Karen Gallippo.

I, Bob Miller, leave my red hair and freckles to Rick Kuster, knowing that he would appreciate more of both.

I, Bob Van Aken, leave my school work and am glad of it.

I, Roger Richard, leave my line with women to Lyle Birdsall.

I, Sharon Kaiser, will my ability to use my brain to Ernie Ash.

Class Prophecy

Last night as I sat watching television the program was suddenly interrupted. Appearing on the screen was a program I had never seen before and it was called, "This Will Be Your Life." I was about to switch channels when I suddenly realized that I was the M.C., reviewing the lives of my former classmates of 1961. This was the gist of the show.

MARGO HIGLEY, as it used to be, has decided to take up dairy farming, and by a strange coincidence, RAYMOND LASHAWAY has done the same.

In New York City today, RICK CLARK clinched the penant for the New York Yankees by shutting out Chicago with a one-hit performance.

WAYNE WORD will reach the moon within a month if all goes well. He has been the top prospect in "Project Moonshine."

SANDY SALISBURY won the decathalon in the Olympic Games last week.

MIKE READER, JIM HICKMAN, and BOISE HEADLEY have entered a partnership and are running a modeling agency.

SHARLEEN COE took top honors in the Mrs. America contest; and JIM BRIERLY was chosen Mr. America.

WENDELL SHIFFLER is the head basketball coach at his alma mater, Michigan State University.

JOANNE ROBINSON has recently opened a pawn shop in Pittsburgh, Pennsylvania.

BILLIE BAKER has accepted the offer to become the personal secretary to the new president, Richard M. Nixon.

RAY McKIBBEN was promoted to Rear Admiral on his naval ship, the Viking II.

NORMAN SHEGITZ is now one of Michigan's United States Representatives.

TERRY GUY and LEO BARR have built themselves split-level homes, featuring a workshop with a floor two-feet below that of the kitchen. This seems to be very convenient.

SUE ST. JOHN, widow of the late business tycoon, F. D. Magoo, replaced the head gardener of her large estate with JOHN LONG.

CAROLYN ORT (WATROUS) has become Camden's first woman preacher.

BOB BENN is driving a semi for Arrow Trucking Company.

JOE STRAWE ended a brilliant career with the Dupont Chemical Company when a recent experiment failed and placed the entire plant into orbit. LARRY WEBB has been hired to take his place.

MARGARET BROWN and BURTON HEADLEY have returned to Camden-Frontier. Margaret is teaching and Burton said he just couldn't stay away from the principal's office any longer.

LARRY CARPENTER owns his own gas station, and he spends over half of the time working on his own car.

EVELYN STUMP is managing a Glass House Restaurant on the Indiana Toll Road.

Although she has been turned down three times, JAYNE FRANK is still trying to pass the State Board Examination.

BOB MILLER is one of the most prosperous farmers in Hillsdale County.

SHARON and SHIRLEY ADAMS are the new secretaries at the Camden-Frontier School.

DICK KAST has been driving his stock car at the Butler Speedway.

SHARON BRYNER, the Homemaker of the Year in '61, has taken over Betty Crocker's job.

MARCIA GIBBS and NANCY COONEY are waitresses in the cafeteria at West Point.

Champion skater, CYNTHIA JOHNSTON, has purchased a roller rink for herself.

SALLY THROOP'S most recent novel is heading the best seller list.

KAREN MIDTGARD, in a recent business transaction, sold her two supermarkets in New York City in order to devote more time to her chain of Howard Johnson Restaurants.

MAX DEPUE renewed his contract with the champion Green Bay Packers for an estimated $50,000.

JUDY ROBINSON has undertaken a new hobby, raising pet ducks.

JO ANN REICHARDDT has taken up the law profession and is specializing in writing wills.

KAY WARFIELD has been spilling the maples in great style. She is the first woman ever to bowl a 300 game.

GARY TANNER has been having trouble farming lately. It seems the modern nuclear farm equipment which his neighbor owns has been spooking his team.

The latest romance in the entertainment field began last month when SHARON JAGGER played a duet with Liberace at the famous Hawaiian Room.

FRANKLIN WOODARD and CHARLES FREED have jobs as custodians at Camden-Frontier.

BARBARA CLARK (HUKILL) has been training little football players who will soon be playing for Camden-Frontier.

BOB SALYER and BOB VAN AKEN were fighting over the job of truant officer for Hillsdale County, and TOM JANSEN took it away from both of them.

Tomorrow night the well-known professional gambler, ROGER RICHARDS, will make his debut in Las Vegas.

KAREN TUCKER, LYN WILES, and SHARON KAISER each own part of a diamond mine.

Farmer JEAN SNOW has been raising a very prosperous herd of Brown Swiss cattle.

Then, just as suddenly as it had appeared, the program vanished from the screen. As I settled back in my chair I wondered if I had actually seen all this and, if I had, whether it would soon come true.

Respectfully submitted,

Gene Mallar

WAYNE WORD - FFA 1,2,3.

Only the photographs of another building, you say? How mistaken you are! To a passerby, yes, this is just another school building; but to students of Camden-Frontier High School it means much, much more. The friends made here, the achievements mastered, the disappointment suffered, and knowledge acquired here have made C. F. H. S. a very special building.

It would be difficult to ever forget the crowded halls . . . the assemblies . . . the excitement of a close game . . . the pass slips . . . the cold bumpy bus rides . . . cramming for tests . . . the discussions in class . . . the mad scramble for the door . . .

May you always remember this memorable year at C. F. H. S.

ALMA MATER

Thine honor is our one delight,
C-F Hi, our C-F Hi.
Thy colors true are red and white,
C-F Hi, our C-F Hi.
We love to linger in thy halls,
Thy spirit now each heart enthralls.
And e'en the ivy on thy walls,
Speaks to us of C-F Hi.

Thou are not living in the past,
C-F Hi, our C-F Hi.
Thy high ideals must always last,
C-F Hi, our C-F Hi.
In classroom, field, or factory great,
We labor on to dedicate.
The glory of what we create,
To our dear, old C-F Hi.

FIGHT SONG

Fight for Camden
Fight for Frontier
You are doing fine
We want you to do your best
In victory sure this time
Rah! Rah! Rah!

Fight for Camden
Fight for Frontier
Fight on for your fame
Fight, fellows, fight and
We will win this game.

SHELL SERVICE

We, the Senior Class of 1961, would like to take this opportunity to thank all the donors who helped make our annual a success.

Thank You

The Senior Class of 1961

Class Will continued

I, Larry Carpenter, will my ability to flirt to Mike Wilcox.

I, Margo Higley, leave my beauty to Gay Moore to add to hers.

I, Norman Shegitz, leave my humble ways to Tom Whitacre.

I, Margaret Brown, will my ability to get good grades to Louise Edinger and Gerald Gollnick.

I, Bob Sayler, will my pleasing way with girls to Vincent Gratz and David Seely.

I, Franklin Woodard, bequeath my quiet disposition to anyone of those noisy juniors who will use it.

I, Jean Snow, bequeath to Sandra Miller and Linda Green a box of crayons to enable them to live a colorful life.

I, Jim Brierly, leave my typing technique to Lou Ann Stringham and Sharon Smalley knowing Mr. Vaughn will be pleased.

I, Jo Ann Reichhardt, leave the job of writing next years class will to anyone who is deserving.

We, the Class of '61, also leave to the following:

Our Superintendent, Mr. Miller, the sincere hope that in his heart there will always be a place for the Class of '61.

Our Principal, Mr. Reynolds, due thanks for safely guiding our ship upon the troubled water.

To the faculty, the knowledge that, for better or for worse there will only be one Class of '61. (Did we hear a sigh of relief.)

To the Sophomores, we bestow our ability to wind the teachers around our fingers, and hope they have better success than we.

To the Freshmen, the privilege of calling other upperclassmen by their first names instead of Mr. and Miss.

To the Seventh and Eighth grades our worn out test papers, so they may study and be as brilliant as we.

To the cooks, a large vinegar jug full of salt tears shed by us when we think of eating food prepared by anyone else.

To the janitors of the buildings and grounds, a rake and a mop to replace what they have worn out cleaning up after us.

To the bus drivers, a box of aspirin tablets for all the headaches we caused them.

Signed and Sealed

Jo Ann Reichhardt
